

GYANALOK

Empowerment Through Knowledge

About GYANALOK TRUST:

Gyanalok is a Registered Trust under Indian Trust Act-1882. It aims to empower people through knowledge. We believe that many of the persisting social and economic problems of the nation can be addressed through proper dissemination of information and education to the people. Therefore, Gyanalok seeks to build the capacity of people by disseminating useful information on educational opportunities and providing support to the education of poor and needy. Virtual Series-II

Saturday Lecture Series (SLS)

Social Development Issues & Role of Development Professionals

The Purpose of this Lecture Series:

In India, social issues are multidimensional. As a development professional, dealing with social issues require specific knowledge and scientific skills. This lecture series will help the participants to understand the prevalent social issues in India and inculcate the requisite skills for their mitigation.

Themes: Social work & Field work, Human resource management, Professional skill development, Health & psychiatric social work and SDG & role of development professionals.

Objectives:

- To develop knowledge and understanding of social issues in India
- To develop appropriate skills and techniques to deal with such social issues.

Methodology:

- Lecture and presentation
- Question-Answer session and discussion

Schedule of Lecture Series:

Every Saturday beginning from 25.03.2023 at 6.30 PM

Registration:

Those who desire to attend and participate in the lecture series have to register using the google form link given below:
